It has about 39 efficient work force who are developing & implementing ERP in many companies.

Last 19 years it work with almost 150 companies system development. Now it is providing advisory services & after sales services in many organization. Now ASIT developing all web based ERP software. It already developed 19 web based ERP software for Real Estate, Manufacturing, Garments, Trading & HR management System. Many individual company, Group of companies & Multinational company are using ASIT's developed software.

After 4 years hard work, in the year 2003 Advanced Software & IT Services Ltd completed development of a big Group ERP system for 22 Companies of Concord Group. Recently, ASIT also implemented ERP in Foster Real Estate Ltd., Foster Farms Ltd., Sanmar Properties Ltd., Sanmar Lands Ltd., Sanmar Construction Ltd., Rupayan Housing Estate Ltd., Rupayan Lands Ltd., Ratul Properties Ltd., Rupayan Holdings Ltd., Rupayan Group HR Management System & Rupayan City Development Ltd.

In our country, entrepreneur is not conscious about system lose. Our practical experience, system lose is not less than 1%. It occur at the time of Purchase, Inventory, Production, Sales and Employment. So if your company's yearly expenditure 100 crore, system loss is at least 1 crore per year. We can confidently say, by applying ERP (Enterprise Resource Planning) you can minimize your system lose at least 75%.
